NOW DETERMINE WHICH AREAS NEED IMPROVEMENT

SEVEN STEPS FOR GOAL SETTING

1.	Identify the Goal
2.	Set a deadline for achievement
3.	List obstacles to overcome
4.	Identify the people and groups to work with to accomplish your goal
5.	List skills and knowledge required to reach your goal
6.	Develop a plan of action
7.	List the benefits – What's in it for me.

GOAL SETTING

Look at dream sheet and select only those items you truly want to achieve.

Combine items from both the dream sheet and the self-evaluation to get a comprehensive list of your major goals.

Before you transfer items to your Major Goal Sheet, make sure you can answer yes to these 5 questions.

- 1. Is it really my goal?
- 2. Is it morally right and fair?
- 3. Are my short-range goals consistent with my long-range goals?
- 4. Can I commit myself emotionally to complete the project?
- 5. Can I visualize myself reaching this goal?

If so record the item on your Major Goal Sheet.

From the new list select at least 2 goals that you will work on every day.

For each goal you work on daily apply the seven steps to goal setting.

Identify Goal Identify People

Set Deadline List Skills
List Obstacles Develop Plan

List Benefits

Evaluate all of your goals on a regular basis.

When one goal is reached, replace it immediately with another goal.

Certain emphasis on goals may change so review your entire list regularly and adjust.

If it is a give up goal share it with everybody.

If it is a go up goal share it only with those you love and trust who will give you support.

In order to reach you Goal you have to make a Commitment.

DO IT NOW!

BENEFITS OF GOALS

CLASS ONE COMPLETING THE APPLICATION

Pay Methods & Completing Different Types of Applications

PAY METHODS

Bank Draft:

Whenever possible, attach a voided check or deposit slip of the account to be drafted. Be sure to complete the name, street address, city and state of the bank to be drafted in order to verify the transit numbers (bank routing numbers).

All transit numbers must be nine (9) digits. Draftable transit numbers CANNOT begin with any number greater than 32. If the member does not know his transit number, but has a check or deposit slip with him, the number is listed at the bottom of the check or deposit slip with the account number and check number.

SCS cards, ATM cards, and most other cash cards CANNOT be used for drafts. The numbers on these cards are generally NOT the account number, and are therefore useless when trying to draft from an account.

If you are having trouble getting bank account numbers from the bank by phone, ask if you can fax the application with the signature for verification. Usually, the bank will then call you back with the account numbers.

Bank drafts are sent for collections monthly a few days prior to the enrollment date. Occasionally, when the draft day falls on a weekend, the draft may hit on Friday before the weekend.

Canadian banks can now be drafted. It is important to attach a voided check or deposit slip of the Canadian account to the application. Canadian checks marked "U.S. Funds" can be cashed and are gladly accepted. These applications can only be input by the home office.

Bank draft authorizations must be signed by the **SIGNER ON THE BANK ACCOUNT ONLY**. Do not sign for the member or write "Per Phone Call To Member".

If a customer must call their home or bank for account numbers, stay with them at the phone to answer any questions or objections from the spouse or bank.

If the member wants his account to be drafted on a specific date, this can only be handled by the home office. Associate services will inform you how to process these applications.

Be sure to send the appropiate copy of all applications to the home office.

Credit Cards:

After you input an application using a credit card as the method of payment, make sure to send the appropriate copy to the home office as soon as possible for all of that weeks sales. If the member happens to dispute the charge on their credit card because they

did not recognize our name on their statement, or deny the charge for any other reason, we must produce a copy of the signed application to avoid being charge back by the credit card company.

Jeff Cochran, Vice President Motor Clubs Ext. 445

David Kircher, President Ext. 511

Our 800# is open 24 hours a day, 7 days a week. There is always someone there who can help. If you have a customer who has a question, please offer help. The Home Office is there to help you and the customer. TVC prides itself in outstanding customer service.

CUSTOMER SERVICE

Customer service is a sale waiting to happen. Any great company excels in Customer Service (just look at Sears, American Express and Southwest Airlines).

You may be the only one representing MCA that actually comes into contact with the customer, so be sure you have the tools necessary to provide information. If a customer comes by with a complaint, listen. Take down the information and call Associate Services. They will help to assess the problem and determine what needs to be done.

Make sure the customer understands the product. Always validate their feelings and resell the membership. Make sure they understand the value of their membership.

CONFERENCE CALLS

You can hold weekly and monthly conference calls with your teams. These are designed to offer training and recognition, as well as keeping Associates informed on their standing for the month (are they close to reaching a bonus, etc.?). Most importantly conference calls bring your team together.

UNDERSTANDING YOUR WEBSITE

As a TVC Associate, you have the benefit of having your own website. On your website, you have the ability to monitor your business, monitor your team's progress, and enter your own sales.

To receive your own website, just sign up for your membership. Any membership you purchase gives you a website. (To qualify for bonuses, you must have a membership value of \$19.95 or above. See section in Training Class Four for more information).

Your web-site address will be www.tvcmatrix.com/YOUR USER NAME. You will be prompted to choose a "User Name" when you enroll. You can then send prospects to your website to purchase products and services. Any sale purchased through your website will be credited to you for sales commissions and/or Matrix commission.

Your trainer will show you how to access your website, walk you through the process of entering sales and answer any questions you may have, or you can schedule a tour of your website by phone by calling Associate Services at TVC.

HOW TO ENTER AN APPLICATION ON-LINE

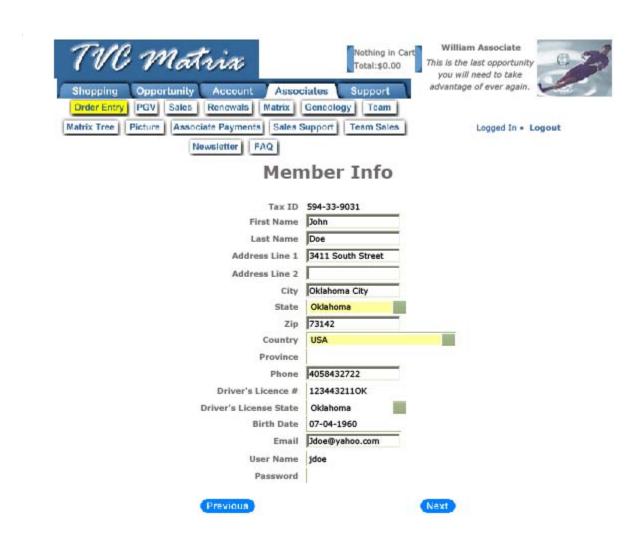

To enter an order on you web-site, log on to your web-site using your username and password. After you are logged on, click on the tab at the top of the screen labeled "Associates". Click on the "Order Entry" button on the left hand side of the screen, and the following screen will appear.

Click on "Enter New Order" which will take you to the following screen to enter the new member's Social Security Number.

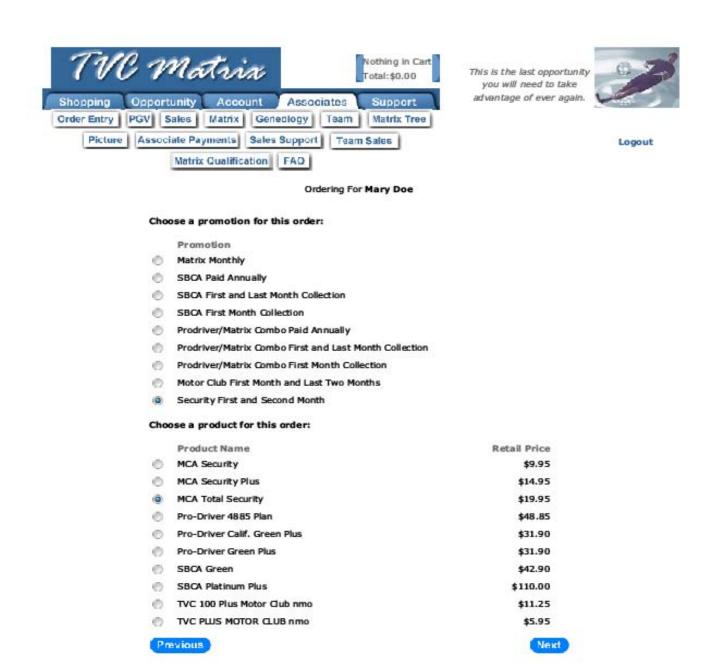

Once you have entered the member's social security number, click the next button to enter the members personal information.

(If the member did not give you a username and password, use the first and last name of the member with no spaces in between, for the username and password.) Don't forget to enter as much information as possible including email address and multiple phone numbers. This gives us more ways to contact the member to better serve them. Once this information has been entered, click on the next button, and the Promotion and Product selection screen will appear.

Using this method to transfer cash to the company will expedite the commission process on the sale. If you do not have a method of payment on file you will need to select Money Order. You will need to get a money order for the amount of cash you received from the member, and send it to the home office. The processing of the sale for commission will be held until we have received the money order. ALL CASH RECEIVED MUST BE SENT OR PAID TO THE HOME OFFICE.

A results screen will appear letting you know the result of your transaction. If the credit card is declined or if the bank routing number is incorrect you will receive a message indicating that result. Introduction To Merchants:

Hi I'm [your name] (shake hands)

I've been talking with some of the merchants and other citizens in the area and I have something I think you would be interested in.

PAGE 1

I represent Motor Club of America. When you join Motor Club of America you get a membership card that looks just like this. Your membership covers you in the United States and Canada.

PAGE 2

First thing your membership provides is Road Side Assistance. When you are in your vehicle and you have a problem, all you have to do is call us. 24/7 just sign and drive.

If you have a flat somewhere, you call us and we'll send somebody out to you. Nobody likes to change a flat other than the guy getting paid to do it, right?

If you lock your keys in your car, have a dead battery, or you break down somewhere you call us 24 hours a day and we will take care of it.

PAGE 3

It also covers your RV, your dually pick-up truck over 1 ton, your boat trailer, your motorcycle, or your live stock trailer up to \$100 for service.

You've also got \$500 in travel assistance.

Here's how this works -

If you have an accident, you hit somebody or somebody hits you or there may not be any one else involved. Maybe you hit a deer. This can help you continue to do your job.

So if you have an accident, it pays for your car rental for seven days up to \$500.

Now if the accident is away from home, here's what we will do for you –

If you are 50 miles or more away from home we'll pay up to \$500 for meals, lodging or for transportation home – now that may mean you have to rent a vehicle or you may have to get a flight to get back home. This will take care of you so you aren't stranded.

If your car just breaks down it doesn't cover that, but if you are in an accident regardless of who is at fault, we're going to keep you from being stranded.

PAGE 5

MCA also provides planning and travel reservations. When you get ready to take a trip – you'll like this, a lot of our members say this is worth the money alone and they love it.

Call us – we'll send you a nice trip pack, we can schedule your trip, you get detailed routings, maps, airline reservations, and hotel discounts.

So anytime you get ready to travel, you use this and that saves you money.

You also have \$500 in bonds.

If you get stopped for a moving violation and there is a charge against you, we will post a \$500 bond for you.

Here in <u>Oklahoma</u> they will just write you a ticket but in some states when they stop you it's not so easy. They want you to pay the fine before they let you go. If you're coming back from a trip somewhere, you might not have \$95 or \$100 in your pocket to pay for a ticket.

We'll take care of you 24 hours a day – just call us.

PAGE 7

You've also got \$25,000 in bail bond to release you.

PAGE 8

You've got \$2,000 in legal fees to defend you for any of the over 100 moving violations you can be charged with. That's everything from speeding to vehicular homicide.

It's a good feeling when you head down the road to know that you already have legal benefits bought and paid for with your membership.

PAGE 9

You also have \$1,000 in legal fees for an attorney to help you collect on injuries you suffered when you are in an accident or someone damages your vehicle.

If someone hits your car and they don't want to pay to fix it and you have to get an attorney involved – that's how this works.

Also with your membership you have \$5,000 in stolen vehicle reward.

If somebody steals your vehicle, you call the club to report it and you call the local law enforcement – we'll put up a \$5,000 reward for the recovery of your vehicle and the conviction of the person who stole it.

PAGE 11

You also have up to \$1,000 in credit card protection. Do you carry credit cards? If your credit card is lost or stolen we have up to \$1,000 in protection for you.

PAGE 12

We also have a \$500 reward for information leading to the arrest and conviction of someone that has stolen your livestock, your stock trailer, your tack or any farm equipment.

If someone steals something off the farm we put up \$500 for the recovery of that equipment.

PAGE 13

You get discounts on your prescriptions, eye care and dental. If you and your family are members you can all save.

You can go to any of the major pharmacies and receive discounts on your prescription drugs.

You also get discounts on your eye exams, contact lens, glasses and Lasik surgery.

You can use this for you and your entire family that are members. There are also dental savings up to 50%.

You also have emergency benefits, that cover you on any accident, not just vehicle accidents.

PAGE 15

If you are injured in a covered accident we pay emergency room benefits up to \$500.

If you are involved in an accident and the EMT says you need to go have yourself checked out, you know you have \$500 in benefits. What a lot of people like about this is that it can help with your deductibles on your hospital benefits on your insurance.

PAGE 16

You've got hospital benefits. If you are injured in an accident and end up in the hospital this pays \$150 a day for a full year.

That is \$54,750 in benefits available to you.

The nice thing is these benefits are paid directly to you, not the hospital. If you have health insurance that's going to pay the hospitals and doctors but this is paid directly to you because you are going to have a loss of income. You're going to have expenses you have to cover, so this comes directly to the member.

PAGE 17

You have \$10,000 death benefit. If a member is killed in any accident, we pay \$10,000 to the estate.

Another benefit you have on your membership is an additional \$50,000 accidental death benefit you may enroll in.

You have 3 choices:

- 1. Individual coverage
- 2. Husband and wife coverage or
- 3. Family coverage

You elect the level of coverage you want.

You can choose option one – which is \$50,000 benefit. If something happens to you we pay \$50,000 to your family if it is an accident.

You can choose option two which is \$25,000 on you and \$25,000 on your spouse.

Or you can choose option three that provides \$30,000 on you, \$15,000 on your spouse and \$3,500 on each of your children.

Option 3 also carries some additional benefits of up to \$1500 a year for day care for your children, it will pay up to \$1500 a year for children who are enrolled in higher education, and it can provide retraining money up to \$3000 for your spouse to re-enter the work force.

So you can choose the level of benefits you like.

PAGE 19

You also have a travel assistance program. This is a worldwide travel benefit.

If you are 100 miles or more away from home and you have any kind of medical emergency, this will get you back home. I've heard these medical helicopters don't get off the ground for less than \$25,000. It costs a lot of money if you need this and it is a part of your membership.

This is world wide - so if you were on a cruise, if you were in Hawaii, or if you were in London England, this protects you worldwide. This covers accidents and even if you get sick.

PAGE 20

So here's what you get with your membership:

You have road side service 24 hours a day – if you have children you can put them on the plan as well. If you don't want to be broken down on the side of the road, you certainly don't want your children broken down there either. So you want to have this for them also.

You've also got your emergency road side assistance for your boat trailer, your RV, your motorcycle, your duley, and your livestock trailer.

You also have \$500 travel interruption assistance if you're involved in an accident more than 50 miles from home or car rental for an accident closer to home.

You've got your trip planning.

You have \$25,000 bond.

You've got \$2000 to defend you.

You've got \$500 stolen vehicle reward.

You have \$1000 credit card protection.

You have \$500 in reward if anything happens to your farm equipment.

You've got prescription drug, vision and dental discounts.

You have \$500 for emergency room benefits.

Over \$54,000 in covered hospital benefits.

\$10,000 accidental death benefit.

And you have an additional \$50,000 death benefit tacked on to that.

Finally you have travel assistance anywhere in the world.

You get all these benefits and services for only \$19.95 per month.

Now you can also put your spouse on this plan.

CLOSE

Let me show you our application –

You put your name here, then you can put your spouse on here, then you can add each of your children.

It's only \$19.95 for each one of them.

All the information we get from you is your name, address and phone number.

I'll give you a copy of this and as you can see your benefits are in full force right now.

This is the 800 number if you need any help before you get your card, you just call this number and they will help you.

I'm going to give you a copy of this receipt and your membership is in full force today.

I would like to enroll you as a member today.

- 1. Learn your **SALES PRESENTATION**

- 3. **CONTACT** everyone on your list. Set up at least 3 or 4 appointments a day for you and your Manager to work as a part of your Training.
- 4. **RECOMMENDATIONS...** The Key to **GROWING** Your **MCA Business** Is Learning **The Art Of Recommendations**.

Four Principals You Need to Look At Everyday

1) **Goals:** Set yourself goals for how many presentations you will make each day you work.

Set yourself a goal for how many sales you will make each day you work.

Set yourself a goal for the income you desire . . . daily, weekly, monthly and yearly.

- 2) **Your System:** If you are going to have consistent success at anything you have to establish a system for working your business. When- Where-How long.
- 3) Focus: Life comes at you fast and it is easy to get distracted. Have your goals and system clearly defined and written down so you know why you are working and have a "track to follow".
- 4) Make it Fun: Do not make this just another job. Keep your mind on the things you want and off the things you don't want and "above all else" have fun!

MCA Approach

After you normal greeting

I've started a new Business. As a part of my training, I've got to show our program to 20 people. It will only take about 15 minutes. You may or may not be interested.

The Art of getting Recommendations

When you've made the sale, you close your kit, and when the prospect sees you close the kit, the process is over in their mind and they kind of relax. Then the first thing I say is,

"I want to ask you a question. As a matter of fact, I need your help. We've found as a company that we get our best members from people just like you, hard-working, responsible people. Who do you know here in this area that would make me a good member?"

When somebody says "I want to ask you a question" an antenna goes up. They kind of perk up a little bit. And then you say "As a matter of fact, I need your help." They immediately move to 'how can I help this guy?' Then you say "we've found as a company" — not that I've found, but "we've found as a company that our very best members come from people just like you, hard-working, responsible people. Who do you know here in the area that would make a good member?" You don't say, "Who do you know that would buy this?" or "Who'd be interested in it?" because you don't want your prospect trying to figure out, 'who would buy it or who would be interested.' You just say, "who'd make a good member?" The average person will give you five names of people to go see. With those people you call on as a result of recommendations, the closing ratio is a lot higher than cold calls, because a friend or relative, someone they respect or love, sent you over there. If you want a long career in the motor club business, learn the art of getting recommendations.

After many years in the Direct Sales Industry, I have found that the people that are successful and have long careers with any company, have learned the art of getting recommendations.
